

Illegal Waste Collection

Beware of unauthorised waste collectors operating in the South Dublin County area.

Waste collection service companies should have a waste collection permit – a list of waste collection companies permitted in the South Dublin County area is available at www.sdcc.ie

Do not give waste to unpermitted collectors.

If a collector comes to your door or advertises offering to collect your waste - clean out your garage, remove old washing machines, garbage - ask to see a copy of their waste collection permit. The cover of this permit will have the name, address and waste collection permit number of the collector.

Do you know

rubbish goes
