

## Visual Art – Individual Artists & Organisations

### Individual Artists

Ann O'Clery

Email: [ann@shouldice.net](mailto:ann@shouldice.net)

Working as a watercolour artist, Ann has also trained as an architect. Her subjects include landscapes, streetscapes, animals and boats. She is also a printmaker, calligrapher and maker of handmade books. She is a member of Water Colour Society of Ireland, Peannairí Irish Scribes and CLAS (Calligraphy and Lettering Arts Society)

Ann Power

Email: [annpowerart@gmail.com](mailto:annpowerart@gmail.com)

Ann makes greeting cards in both English and Irish. She also paints using oils and canvas.

Barry Hughes

Email: [bahs3000@gmail.com](mailto:bahs3000@gmail.com)

Website: [www.barrywhughes.com](http://www.barrywhughes.com)

Barry Hughes is a visual artist whose practice centres on photography and video. He is the editor and publisher of 'SuperMassiveBlackHole', an online photography magazine and curates 'SuperMassiveBlackHole' photographic exhibitions. He has participated in public discussions and talks, and is a visiting lecturer at third level on contemporary photographic practice and online publishing.

Edward Doran

Email: [info@edirishart.com](mailto:info@edirishart.com)

Website: [www.edirishart.com](http://www.edirishart.com)

Edward Doran is a full-time professional artist who trained in advertising as an illustrator and layout artist. For over 25 years he has been involved in community arts and adult education as a tutor with the County Vocational Education Committee where he currently conducts morning adult art classes. He also gives workshops for students and teachers on a freelance basis. He accepts fine art and design commissions.

Fiona Ni Mhaoilir

Email: [fnm.artist@gmail.com](mailto:fnm.artist@gmail.com)

Fiona has a masters in Fine Art and has exhibited nationally and internationally. Drawing, painting and sculpture are her areas of specialisation. Fiona has worked as a visiting lecturer/artist at a variety of institutions. She has undertaken public art commissions in Ireland and the USA, and has facilitated workshops/projects

for community arts organisations in the north of Ireland, schools and colleges. Fiona has provided workshops/classes over the past 13 years.

Jonathan Casey

Email: [jono.casey@gmail.com](mailto:jono.casey@gmail.com)

Website: [www.digiartdesign.ie](http://www.digiartdesign.ie)

Jonathan Casey is a graphic designer, working with digiart painting. He can give classes on a one-to-one basis and also in groups throughout South Dublin County.

Grainne Dowling

Email: [grainnedowling@gmail.com](mailto:grainnedowling@gmail.com)

Grainne is a painter, drawer and printmaker, working mostly in etching. Workshops include: Introduction to printmaking workshops at the National Print Museum and drawing workshops for adults (intermittent courses and workshops) at the National Gallery of Ireland.

Mick Langan

Email: [micklanganphotography@gmail.com](mailto:micklanganphotography@gmail.com)

Website: [www.micklanganphotography.com](http://www.micklanganphotography.com)

Mick Langan is a landscape photographer specialising in international touring exhibitions, installations and commissions. He is also a composer, represented by the Contemporary Music Center working on commissions for musicals, small ensembles to large orchestral work. He has held photography workshops in the past.

Natalie Katona

Email: [nataliekatonadesign@gmail.com](mailto:nataliekatonadesign@gmail.com)

Website: [www.nataliekatonadesign.com](http://www.nataliekatonadesign.com)

Natalie Katona is textile artist inspired by romantic, historical costume to create contemporary accessories and wall art. She likes exploring unusual combinations of materials like vintage fabrics, jewellery and recycled plastic. Natalie teaches children's art and crafts workshops: 4-7yrs, 7-11yrs, 11-14 years. She has also led collaborative community art projects with adults with disabilities and with youth groups

Olivia Hassett

Email: [olivia@oliviahassett.com](mailto:olivia@oliviahassett.com)

Website: [www.oliviahassett.com](http://www.oliviahassett.com)

Olivia Hassett is a visual artist whose practice spans various disciplines like installation, video and performance art. The main objective to her practice is to create a phenomenological experience for the viewer, questioning their understanding of what it means to be human, viscerally alive and outside of societal constraints.

Pauline Brady

Email: [bradypauline@hotmail.com](mailto:bradypauline@hotmail.com)

Website: [www.paulinebrady.ie](http://www.paulinebrady.ie)

Pauline is a visual artist working in watercolour and ink. She paints a wide range of the lines and has exhibited in a number of group exhibitions.

Sinead Curran

Email: [sineadcurran@gmail.com](mailto:sineadcurran@gmail.com)

Website: [www.sineadcurran.com](http://www.sineadcurran.com)

Sinead practices primarily the medium of film and notions of research around the use of cinematic techniques and architectural space in film. Sinead teaches video production in the Institute of Technology Blanchardstown and teaches art classes to residents of a long-term homeless project.
