

Healthy South Dublin

Funding available for the development of a community-based designated walkway with lights under Healthy South Dublin.

Healthy South Dublin is seeking Expressions of Interest from sports clubs and community organisations in the South Dublin County administrative area for a designated walkway with lights to be developed and supported by the Healthy South Dublin Fund.

Healthy Ireland Round 4 is running from 2023-2025 in which South Dublin have selected two outcome indicators to focus on over the three-year period. The outcomes selected are focused on chronic illness and community safety.

Funding is provided through the Department of Health. The development of a community-based designated walkway with lights would assist in addressing the two outcomes selected through providing a space to allow all community members the opportunity to engage in active healthy lifestyle behaviours in a safe and secure space.

- There is a maximum level of funding of €25,000 available.
- This is once off funding.

Requirements for funding of the development

- Public access
- Be on club/organisation grounds that can be secured
- Provide lighting during winter months.
- No road access onto walking track
- Development must be accessible (Wheelchairs, buggies etc.)
- Must be able to accurately capture the number of people who use the walkway.
- The development must be completed by December 2024

Please note that emphasis will be placed on existing groups that have strong links with their local community and organisations.

Target Groups

- People with chronic illness
- Older people aged 65 and older.
- People living in disadvantaged areas.
- General Population
