<sup>2</sup> A household applying to Dublin City Council or to a County or Town Council, and which is either normally resident in that authority's functional area or has a local connection with it, must specify at least one area in that functional area in which it would accept an offer of social housing support. Such a household may also specify areas of choice in the functional areas of other housing authorities in the county concerned [including Dublin City Council but not Cork, Galway, Limerick or Waterford City Councils]. In this context, such a household applying to a Tipperary housing authority may specify areas of choice in other housing authority functional areas across the county. A household applying to (a) a City Council other than Dublin City Council, or (b) a housing authority that agrees to consider its application, even though the household is not normally resident in, and has no local connection with, its functional area, may specify areas that are in the functional area of the housing authority of application only.
