South Dublin County Council

Integration is one of the important challenges now faced by South Dublin County Council. One of the main objectives of the Council is to facilitate inter agency collaboration and initiatives to promote integration in the county. Effective communication is one of the ways we can assist integration and to develop dialogue when doing business with the Council by using the available language skills of our staff. We received enormous interest from staff who would be interested in using their language skills to assist migrants who are experiencing language difficulties in accessing the services provided by the Council. Twenty three members of staff responded to the call and the languages we have available in house include French, Portuguese, Polish, Russian, Spanish, Italian, Cantonese, Mandarin, German, Swedish, Tamil, Hindi, Telugu and Malayalam. For languages that we do not have available in house we have access to a Translation Company.

Tá an lánpháirtíú ar cheann de na dúshláin thábhachtacha a bhfuil a haghaidh le tabhairt ag Comhairle Contae Átha Cliath Theas air. Príomhchuspóirí de chuid na Comhairle is ea cabhair a thabhairt ó thaobh comhoibriú idirghníomhaireachtaí agus tionscnamh de chun lánpháirtíú a chur chun cinn sa tír. Tá cumarsáid éifeachtach ar cheann de na bealaí gur féidir linn cabhrú leis an lánpháirtíú agus le forbairt a dhéanamh ar chomhráite agus muid i mbun gnóthaí leis an gComhairle. Is féidir seo a dhéanamh trí leas a bhaint as na scileanna teanga atá ag ár bhfoireann. Tá baill foirne ann a mbeadh an-spéis acu a scileanna teanga a úsáid chun cabhrú le himircigh a mbíonn deacrachtaí acu leis an teanga agus iad ag iarraidh teacht ar na seirbhísí atá ar fáil ón gComhairle. D'fhreagair fiche trí ball foirne an glao agus áirítear Fraincis, Portaingéilis, Polainnis, Rúisis, Spáinnis, Iodáilis, Cantainis, Mandairínis Gearmáinis, Sualainnis, Tamailis, Hiondúis, Teileagúis agus Mailéalaimis ar na teangacha atá ar fáil dúinn go himheánach. Bíonn teacht againn ar Chomhlacht Aistriúcháin i gcás teangacha nach mbíonn ar a dtail ag baill foirne.
