

February 25th
A national day
to celebrate reading

On February 25th we're inviting people of all ages to get reading.

One minute, ten minutes, an hour, or more – it doesn't matter how long you read for or what you read!

Why? Because taking some time for yourself to relax and do the things you enjoy (like reading) is important to help look after your mental wellbeing. Ireland Reads is an initiative of the government of Ireland, funded by Healthy Ireland and supported by public libraries, and many organisations that promote literacy and the arts.
