

## **Rathfarnham/Templeogue-Terenure Area**

### **3 Year Tree Maintenance Programme 2017-2019**

In line with the Council's Tree Management Policy 2015-2020 "Living With Trees", the focus of all future Tree Maintenance Programmes is on entire roads or whole estates.

In addition to the planned whole estate and road programme, reactive and emergency works will continue to be carried out on individually located trees as necessary in order to manage risks to the public. An emergency is defined as a tree that is in immediate and present danger of collapse or causing an obstruction requiring urgent attention. Emergency and reactive tree works will normally take priority over the planned programme of tree maintenance works.

In advance of commencing works within an estate or road, a full survey of all trees at the location is carried out to inform the programme and scheduling of tree pruning. The survey involves an assessment of each tree's health and condition and identifies the maintenance required, if any.

The proposed programme for 2017 includes a small number of estates and roads carried over from the 2016 Tree Maintenance Programme. These locations will be prioritised for completion as early as possible in 2017. Some of these locations are noted as having trees in close proximity or in conflict with overhead electricity wires. In such locations, the required tree maintenance works need to be undertaken by an ESB approved arborist suitably qualified in the specialist skills of utility arboriculture.

The following is a list of whole estates and roads proposed for tree maintenance in 2017, 2018 and 2019:

**Whole Estates carried over from 2016 to be prioritised for completion in 2017**

<b>Estate / Road</b>	<b>Status</b>	<b>Notes</b>
Brookwood	Tree survey complete	
Delaford Park	Tree survey complete	
Dodder Road Lower	Tree survey complete	ESB wires
Fonthill Park	Tree survey complete	ESB wires
Hillside Park	Tree survey complete	ESB wires
Idrone	Work commenced	
Knocklyon Avenue	Tree survey complete	
Muckross estate	Tree survey complete	ESB wires
Rathfarnham Wood	Work complete	
Rossmore Road	Tree survey complete	
The Glen, Boden estate	Tree survey complete	
Willbrook Lawn	Tree survey complete	
Boden Wood	Tree survey to be completed	
Willbrook estate	Tree survey complete
