Success Factors

The Project

- *Create a safer, more attractive and people friendly environment*
- *A quality, vibrant district centre which attracts business*

Background to Scheme

SDCC commenced a programme of upgrading the district centres in South Dublin in 2020

An initial 10 schemes proposed and Neilstown was included in this.

Schemes are designed to improve the amenity through;

- Re-assignment of road space for cycle/pedestrian facilities,
- Enhancement/enlargement of public realm
- Additional pedestrian and cyclist connections
- Sustainable communities for all ages
- Disability Support
- Removal of street clutter and minimisation of signage
- Landscape design that will increase trees, planting, SUDs
- Active Play & teen space
- Street Art

Why are we here

- Us to hear your views
- You to hear other peoples views
- What you like/dislike about Neilstown District Centre
- What would you like to see in a scheme
- What are the challenges
- What should be our priorities

Neilstown Neighbourhood

- **Healthcare:** Rowlagh Health Centre (0.5km)
- **Rail Transport:** Clondalkin Fonthill (~1.5km) and Park West & Cherry Orchard (~3km)
- **Education:** Multiple post-primary schools within 1–3km including Kishoge Community College, Coláiste Chillian, Moyle Park College, and Coláiste Bríde.
- **Public Libraries:** Two SDCC libraries within close proximity — North Clondalkin Library (~0.8km) and Clondalkin Library (~2.5km)
- **Neilstown Community Centre & Ronanstown Community Child Care** (0.5km)

Success Factors

	An Equitable District Centre
	Public Realm & Streetscape Enhancement
	A Connected District Centre
	Using nature-based solutions to create a climate-resilient village
	To weave the rich and diverse stories of Neilstown into a living heritage experience
	A District Centre where everyone feels safe and comfortable
