

Bealtaine Festival 2022

Réamhrá an Mhéara

"A chairde, tá ríméad orm Bileog Fhéile na Bealtaine 2022 a chur os bhur gcomhair. Mar gheall ar phaindéim Covid-19 beidh Féile Bhealtaine 2022 ar an gcéad Féile Bhealtaine aghaidh ar aghaidh ó fhéile 2019. Táim tar éis bheith ag obair le daoine aosta le breis is deich mbliana de mo shaol lasmuigh den pholaitíocht, mar sin tá ríméad orm go bhfuilimid i mbliana ag beartú a mhéid ócáidí aghaidh ar aghaidh agus is féidir a óstáil dár gcuid pobal.

Ba mhaith mo bhuíochas a ghabháil le gach gníomhaireacht agus eagraíocht rannpháirteach ar fud an Chontae. Thabharfainn spreagadh do gach duine éirí páirteach sna gníomhaíochtaí atá beartaithe agus cuidiú le rath Fhéile na Bealtaine ar líne. Beir bua!"

Mayor's Introduction

"A chairde, I am delighted to introduce the Bealtaine Festival Brochure 2022. Bealtaine Festival 2022 will be the first in-person Bealtaine Festival since 2019 as a result of the Covid-19 pandemic. I've been working with older people for over a decade in my life outside of politics, so I'm delighted that this year, we are planning on hosting as many in-person events as possible for our communities.

I would like to acknowledge and thank all participating agencies and organisations throughout the County. And I would encourage everyone to get involved in the planned activities and to help make this year's Bealtaine Festival a great success.

Beir bua!"

Mayor Peter Kavanagh

Chief Executive's Message

We believe that the month of May belongs to the Bealtaine Festival, celebrating art and creativity as we age! The Bealtaine Festival gives everyone the opportunity to discover a new talent or find a new way to use an old skill. It is an opening to make new friends and connect with your community. The name Bealtaine comes from the ancient Celtic festival of that name celebrating springtime, freshness and renewal.

This year marks Bealtaine's 27th Festival.

With Covid -19 restrictions having eased earlier this year, it has never been more important for our older population to reconnect with their community.

South Dublin County Council has recognised the significant impact of the Covid 19 Pandemic on our older population. This pandemic posed new challenges for all our citizens particularly older people who were requested to cocoon, and keep their distance from family, friends, and neighbours.

We have been committed to the Government's response, through the Community Call helpline and Keep Well Initiative to support our older population and respond to their needs when called upon.

With that in mind, South Dublin County Council will deliver this year's festival and will endeavour to provide many opportunities for our

older population to reconnect and celebrate the arts and creativity as we age.

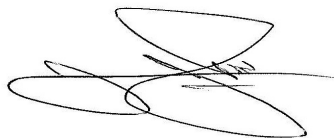

We will continue to strive to build positive, healthy communities in our County and this brochure has been produced to advertise the wide variety of events and activities planned for the month of May. With your help, we hope that this year our community groups and Active Age participants can reunite and reconnect after two years of isolation.

In South Dublin County the number of people aged 65 and over is 30,914 and is rising. Our aging population offers both challenges and opportunities to South Dublin County.

In South Dublin County we have developed useful links and working relationships between our partner agencies and service providers. We

have established the Age Friendly County Alliance and Tús Nua Older People's Council. It raises more awareness of issues affecting older persons and allows us to put the necessary structures in place to address this. South Dublin County is fully committed to being an Age Friendly County.

The Bealtaine Festival improves the quality of life of older people by promoting their greater participation in various aspects of life. In 2019 we had over 4,000 participants in the festival. I commend all the events. being organised to celebrate this special month.
