

Youth Conversation Kit

Canal Loop
Urban Greenway

The proposed Concept Route for a greenway through Lucan will serve approx. 20 schools.

This should make walking and cycling to school quicker, safer and easier. We would therefore like Teenagers and Schoolchildren to have their say on this.

The Virtual Consultation Room (VCR) contains a survey called a Youth Conversation Kit. The VCR will remain open until 19th April 2021 and can be accessed with this link:

<https://canalloop.virtualeventspace.io/>

The Youth Conversation Kit can be opened on its own with this link:

<https://conversationkit.design/conversation/CanalLoopLucan>
