Mayor and Councillors,

Please find attached for your consideration the proposed 2024 revenue budget prepared in the statutory format. This budget, which shows a 10.5% increase in expenditure on the budget presented last year, has been shaped in the context of various factors including:

- the need to maintain and expand services for a growing population, with the 2022 census showing 301,075 people living in the County
- the impact of wider economic, geopolitical and other challenges, such as inflation, continuing high energy prices, employment, contractor availability etc,
- the cost of living and the cost of doing business burdens faced respectively by households and businesses
- the various financial opportunities and constraints for this Council

The input from many Councillors who took the opportunity that was presented to engage in pre-budget consultations has ensured a collaborative budget process that reflects and addresses many concerns of our citizens and communities. In responding to those concerns, our intention has been to produce a balanced budget that meets immediate local needs and priorities, maintains and where required, increases resourcing for our frontline services, while also addressing critical future challenges for the County, particularly in relation to climate action, housing and economic development. We are also in a position to propose retaining both differential rents and commercial rates at 2023 levels, while also continuing our financial supports for small and medium businesses.

In 2024 we will continue to increase output under our Housing Delivery Action Plan while selected other highlighted measures in our housing programme include:

- An extra €1,500,000 to further improve our relet times and processes
- An increased €2,000,000 contribution to the planned maintenance fund which will complement progress under the national energy efficiency retrofit programme
- A 6.5% increase for regular housing maintenance expenditure to maintain service levels to an expanding housing stock in an environment of various cost challenges
- Extra funding for homeless services and staffing, including €100,000 specifically to support and help progression for households experiencing homelessness

As we launch a new Climate Action Plan in 2024, €3,500,000 in new funding is being provided to considerably expand our climate action programme including through:

- A climate action fund for operational measures, particularly to accelerate the decarbonisation of our fleet
- Significantly increased investment in retrofit works to enhance the energy efficiency of the corporate, community and other buildings owned by the Council, which will be driven by our Energy Officer in partnership with Codema, Dublin's Energy Agency
- Continued provision for the Climate Innovation Fund to support the work of our new Community Climate Action Officer

Economic and tourism development will continue to underpin the future prosperity and quality of life in South Dublin and for 2024 we will:

- Maintain commercial rates at existing levels with no proposed increase in the Annual Rate of Valuation or the Commercial Rates Multiplier
- Target improved occupancy of currently vacant commercial and industrial premises, subject to the Council's approval in accordance with Section 31 of the Local Government Reform Act 2014, by reducing the vacancy refund credit to 25% to further align with the other Dublin local authorities
- Provide €2,000,000 for the Tallaght Heritage Centre, a further €1,500,000 for the 12th Lock Masterplan and €500,000 for Work IQ Innovation Centre operational costs
- Allocate €1,370,000 for the tourism fund to progress projects including the Dublin Mountains Visitor Centre as we launch our new Tourism Strategy
- Work with the Economic, Enterprise and Tourism Development Strategic Policy Committee to examine specific local initiatives under the business support fund, in particular to enhance the vibrancy and evening-time economy of Tallaght town centre

The huge value of community and voluntary contributions to wellbeing in our County is greatly appreciated and in acknowledgement of that, our community, sports, arts and libraries programmes are maintained in this budget. Particularly noteworthy highlights of our investment in supports, social amenities, infrastructure and public realm for local communities for 2024 include:

- An additional €2,150,000 to fund the parks and open space upgrade programme in St. Cuthberts, Quarryvale, Jobstown, Whitestown Stream and Perrystown

- Further investment of €2,050,000 for improvement works in our towns, villages and public realm, including for Clondalkin village enhancements, the next phase of N81 landscaping and €300,000 for targeted safety, permeability and accessibility improvements at identified locations
- €1,500,000 in once-off extra funding to promptly address outstanding road, footpath and laneway maintenance and repairs and legacy tree and hedge management issues across the County
- An increased community infrastructure fund of €450,000 and extra supports for community centre boards of management, including €200,000 ringfenced for new community centres, particularly in Saggart and Balgaddy
- €650,000 to enhance the teenspace programme, particularly through inclusivity measures
- The establishment of a new team to support integration of new arrivals into our communities
- €250,000 for pitch improvement works and €200,000 to support delivery of the proposed Whitechurch Sports Facility
- A 13% increase in the libraries' book fund
- Additional funding for litter bins €100,000 and to tackle graffiti €50,000

In addition to the measures outlined, our budgetary position this year allows for funding to be provided for certain further areas highlighted by Councillors in budget discussions including:

- Digital accessibility initiatives
- A domestic violence awareness programme with the Joint Policing Committee
- Extra age friendly supports
- Additional Traveller supports through the Local Traveller Accommodation Consultative Committee
- A pilot play streets programme
- Additional water refill points
- Transition to online burial grounds records
- New signage to complement upgrade works in Kiltipper Park

In this context, we have made provision for a 7% increase on the 2023 projected outturn in

payroll costs to recruit the additional staff required to meet our commitments in this budget. We will invest in reshaping our workplace environment to meet our evolving needs as an employer and funding is also provided for other corporate measures including enhancing our cyber security, CCTV governance, further digitization of services, engagement on citizen connectivity and branding, and to support the 2024 local elections.

The positive financial position going into 2024, particularly with enhanced baseline funding from central government, means that, despite the maximum 15% Local Property Tax (LPT) reduction being applied by the Council at the October meeting, we can still commit to expanding services and various additional discretionary measures in this budget. However, the Elected Members should be acutely aware that future LPT decisions which continue to forego significant income (€5,167,167 in 2024) for discretionary use will undoubtedly limit the potential for similarly expansive budgets during the lifetime of the incoming Council.

The commitment and work undertaken as well as the advice provided in the preparation of this budget by Ronan FitzGerald, Head of Finance and his team, has been invaluable and is greatly appreciated. I also sincerely thank the Corporate Policy Group in particular and the wider Council membership, along with the Council's senior management team for their engagement and support throughout this budget process.

Finally, the budget presented for your consideration addresses the competing priorities outlined above and provides the opportunity for the Council to meet the needs of our citizens, communities, and businesses in 2024 as well as allowing us to positively shape the future beyond that for the County and the Council.

Accordingly, I recommend this budget for adoption by the Council.

Yours sincerely,

Financial Analysis 2024

Prescribed Period of Budget 2024

The Minister for Housing, Local Government and Heritage has determined the period 1st November 2023 to 8th December 2023 as the prescribed period during which the 2024 Budget Meeting should be held. The statutory Budget Meeting will be held on 16th November 2023 and as the Budget must be adopted within a period of 14 days commencing on that date, the final date for the adoption of the Budget is the 29th November 2023. The Draft Budget has been prepared in the format as prescribed by the Department of Housing, Local Government and Heritage.

Corporate Policy Group

The Corporate Policy Group (CPG) discussed the Draft Budget at meetings held on July 3rd, September 4th, October 2nd and November 6th 2023. The role of the CPG includes setting the overall parameters for the budget. This budget has been framed around the Budget Strategy as developed with the CPG and in response to the views expressed by the Members at various stages during the budgetary process. The overall financial position of the authority was considered during the budget consultation process. The Draft Budget has been prepared on the principle of a “balanced budget” based on the overall level of resources available to the Council and the requirement to meet statutory, contractual, legal and other obligations.

The 2024 Budget

From a macroeconomic view point this budget is framed against a backdrop of global uncertainty – both economic and geopolitical. The outlook for the global economy has deteriorated. The country is recovering from the challenges of Brexit, the pandemic, the war in Ukraine, and rates of inflation not seen for many years. The budget also has regard to the capacity constraints in the economy, and these are very obvious in the housing and labour market.

This budget, while being framed by the Corporate Policy Group, will provide support to individuals, families and businesses at a time when the cost of living is high. Due to higher inflation household budgets are stretched for many individuals and families. The recent interest rate increases have also had a negative impact on many households and businesses.

This Council will, in its 2024 budget, take new and imaginative steps to address the

issues and challenges facing it. In line with government policy this Council will demonstrate its commitment to climate action with the establishment of the SDCC Climate Action Operational Fund of €1,250,000. This fund will assist the Council to address its own climate action requirements and is in addition to the €200,000 allocated towards providing solar panels to the Council's community centres and the €300,000 allocated towards the Climate Change Adaption Fund.

In 2024 the Council will increase its revenue expenditure by €32,250,500 or 10.5%. This budget will provide for additional expenditure in the public services on which we all depend and it will continue to maintain the infrastructure we need for the future, including a 19.2% increase in Housing expenditure which accounts for €21,452,200 or 67% of the Council's overall increased expenditure for 2024. The draft budget also includes €2,000,000 for a new planned maintenance program in addition to increasing expenditure for pre-let repairs, which will help reduce the length of time houses are vacant pending reletting. There is also a 50% increase in the allocation towards footpath repairs bringing the allocation to €2,200,000.

The CPG indicated during the Budget Strategy discussions that the draft budget should:

- Maintain frontline services to the maximum level possible
- Have regard to the escalating cost of living and the increased cost of doing business
- Local Property Tax would be reduced by 15% for 2024, which was approved by the Members at the October Council meeting
- There is no increase in the Differential Rent Scheme for 2024
- There is no increase in the Annual Rate on Valuation (ARV) or Commercial Rates Multiplier
- Commercial Rates Vacancy Scheme will be reduced from 50% to provide a 25% refund for properties vacant in 2024
- Financial supports for small and medium businesses would be maintained in 2024

The draft budget includes allocations for the following specific purposes; a substantial increase in RAS and Leasing funding; community centre developments; back lane improvements and graffiti removal; playground maintenance including the upgrade of older playgrounds; tourism & heritage projects; playgrounds; Teenspaces; outdoor signage and outdoor furniture.

Total	€338,321,100	€306,070,600	€181,379,000	€156,509,200

The Draft Budget for 2024 provides for total expenditure of €338,321,100 and anticipates income of €181,379,000 from a range of services and sources including rents, fees, charges, loan repayments, grants and recoupments. The balance totalling €156,942,100 will be funded from a combination of commercial rates and local property tax (LPT).

Commercial Rates

All sources of funding are important to the Council, particularly Commercial Rates, which makes up almost half of the Council's revenue income. A flourishing commercial sector is critical to enhancing the County's economic prospects. The services provided by South Dublin County Council support the commercial sector and so it is appropriate that commercial entities make a contribution towards the environment in which they operate. Given the prevailing economic uncertainties no increase is proposed to the Annual Rate on Valuation (ARV) or Commercial Rates Multiplier. It is proposed that the ARV will remain at 0.276 with commercial rates income of €145,432,500 anticipated for 2024. The table below gives a breakdown of the Rates demand for 2023.

The CPG considered the commercial rates vacancy scheme as part of the budget consultation process and recommended amending the existing scheme for 2024. The amended scheme provides a 25% rates credit or refund in respect of commercial properties in circumstances where a property is vacant (due to refurbishment or if the owner has failed to let the property to a tenant at a reasonable rent) on the day the Rate is struck. This reduction in rates credit or refund is to incentivise the productive use of existing commercial properties and to deter vacancy and dereliction. The budgeted expenditure for Rates refunds is €1,625,000 for 2024, which is a reduction of €1,625,000 from the 2023 figure. There has been a very gradual reduction in Rates Vacancy relief over the past number of years and a reduction to 25% will bring the relief provided in line with that provided by adjoining local authorities.

Local Property Tax

In circular Fin 07/2023 dated 6th September the Minister for Housing, Local Government and Heritage assigned a provisional Local Property Tax of €34,447,779 to South Dublin County Council for 2024. This was the Pre-Local Property Tax Local Adjustment Factor variation. The LPT allocation for 2024 follows the Local Property Tax revaluation which took place in November 2021.

South Dublin County Council Provisional LPT Allocation			
	2024	2023	Change
Projected Gross LPT Income for County	€34,447,779	€32,263,395	€2,184,384
Less Local Adjustment Factor – 15%	€5,167,167	€4,839,509	€327,658
LPT retained locally	€29,280,612	€27,423,886	€1,856,726

The Council received notification of a significant increase in its LPT Baseline funding for 2024. The 2024 baseline figure for South Dublin County Council is €8,926,059 compared with €3,856,262 for 2023, an increase of €5,069,797.

At the Council meeting on the 9th October 2023, the Members of South Dublin County Council reduced the basic rate of the Local Property Tax within the administrative area by the maximum of 15%. This variation reduced the 2024 allocation to €29,280,612. The Department of Housing, Local Government and Heritage has advised that this will be paid over the course of 2024 and its application, which is set out below:

DIVISIONAL PREAMBLES

2024

Division A - Housing and Building

A budget of €133,274,700 is allocated for housing services in 2024, representing an increase of €21,452,200 on the 2023 budget.

The 2024 Annual Service Plan for Housing Services provides for expenditure of:

- €20,609,000 on maintenance and refurbishment as our housing stock grows – with additional funding of €2,000,000 for our planned maintenance programmes and stock condition surveys. With an extra €1,500,000 to enhance our re-let works, including to facilitate rightsizing by our older tenants
- €73,280,800 for ongoing provision of more than 3,500 Rental Accommodation Scheme (RAS), Approved Housing Body (AHB) and a significant increase in Leased properties
- €4,475,400 for homeless services including additional staff and supports, directly and through the Dublin Regional Homeless Executive
- €1,643,600 for Traveller accommodation for maintenance, mobile caretaking services and supports including the recruitment of a Traveller Liaison Officer
- €5,897,300 for Estate Management initiatives to ensure safe and

sustainable communities by promoting pride amongst residents and tackling anti-social behaviour, providing housing welfare services and housing stock insurance

- €11,743,700 to support our housing strategy and construction programme along with other social and affordable housing delivery, including through Part V
- €4,408,100 for housing grants for adaptations, mobility aids and essential repairs for disabled, older and other persons, based on anticipated 2024 funding allocations from the Department of Housing, Local Government and Heritage (DHLGH)
- €3,232,300 on the housing loans service including €200,000 for mortgage protection
- €2,599,700 on rent assessment and debt management
- €1,558,700 for inspections for compliance with private rented dwelling standards, managing the Housing Assistance Payment scheme and monitoring vacant properties

The main source of income for this Division is anticipated funding of €68,934,700 from the DHLGH in respect of RAS, AHB and leased properties.

In addition, rents from the Differential Rent Scheme for Council, RAS and Leased

tenancies are projected to generate income of €36,491,500 in 2024.

Division B – Road Transport and Safety

Division B provides for total expenditure in 2024 of €40,765,500 this represents an increase of €1,662,800 over the 2023 adopted budget.

These increased costs are primarily to cover increased maintenance costs for traffic lights and signals, public lights and associated energy bills and materials for works.

The transport team leads several important areas. The team maintains our existing network of streets, footpaths, cycle tracks, our public lighting, as well as carrying out winter maintenance works and responding to traffic and road emergencies. The team also plans for and upgrades our transport infrastructure, delivering new streets, new active travel infrastructure and enhancements to our villages and district centres.

Maintenance and Improvements

In 2024 works will include:

- Maintaining and improving the National and Regional Road Network €4,360,100. Transport Infrastructure Ireland (TII) is responsible for the National Primary Road Network, but SDCC retains responsibility for the N81 and in 2023 will carry out improvements and safety works along sections of the N81 as well as

maintenance works €1,718,000 and Quality Bus Corridors €100,000

- Maintaining and improving the Road Network €19,830,800 in 2024 includes maintenance works along the local road network €6,600,000 as well as works to footpaths in Social Housing Estates €300,000, maintenance of Cycle Tracks €400,000 and providing disability dishing on footpaths €56,000
- Included within these figures is the Council's winter maintenance programme, which operates between October and April each year, as well as emergency repairs
- In 2024 there will be further spending on bridge safety works to at least four bridges across the County €398,500. This is in response to a safety survey of all 170 road bridges in the County carried out in 2022 and design works carried out in 2023

Public Lighting

There are approximately 32,000 public lights across the County. This number continues to increase as new developments and streets are built out and taken in charge. These public lights are upgraded and maintained at a cost of €6,569,800. The Council also continues to deliver our LED upgrade programme and to date this year has completed 1,911 upgrades to the end of Sept 2023. The remaining lights are the most technically challenging to upgrade

and the majority of these upgrade works require ESB Network to attend site, which will slow our pace of delivering upgrades in the coming years. In 2024, the Council will transfer €850,000 of revenue expenditure to this LED upgrade programme.

Village and District Enhancements

Improvement works in Castletymon District Centre will be complete by the end of 2023.

In 2024 works will be underway to improve Lucan Village Green, Lucan Weir Side and the Lucan Demesne Entrance. It is planned for works to commence on site in the District Centres of Rosemount and Dodsboro, as well as for the Council to have taken a decision on a Part 8 for improvements to Bawnogue District Centre and for design work on a Clondalkin Village Improvement Scheme to be underway. In 2024 the Council will transfer €650,000 of revenue expenditure to the District Enhancement Scheme programme and €500,000 for Clondalkin.

Traffic Improvements and Safety

Enabling people to access sustainable modes of transport and improving active travel measures, along with addressing issues of congestion and improving traffic flow, are important priorities for the Council. In 2024 the transport team will spend

- €3,810,200 on the operation, maintenance and refurbishment of our traffic lights and traffic management centre

- €2,738,700 on road safety and improvement works including €825,000 on delivering the Council's Street Management Guide which includes new pedestrian crossings and traffic calming works
- €2,056,200 on Road Safety Promotion, School Wardens and Education work
- €514,300 will be spent on managing our on-street and off-street car parking. This is a reduction of €126,900 on 2023, as parking infrastructure upgrades are nearly complete
- In addition to the maintenance, refurbishment and continued operation of the existing street network, the Council is also progressing the delivery of "Cycle South Dublin", which was agreed by Council in April 2021. The funding of this programme is set out in the Council's three year Capital programme, in 2024 works will include:
 - Dodder section 4 (Complete)
 - Dodder section 5 (Start on site)
 - Tallaght public realm and mobility hub (Complete)
 - Canal extension to Hazelhatch (start on site)
 - Airtown Road (on-site)
 - Lucan Canal Loop (start on site)
 - Wellington Lane – Rossmore (complete)
 - Wellington Lane – White Hall Road (start on site)
 - D24 cycle network – Phase 1 (complete)
 - D24 cycle network – Phase 2 (start on site)
 - Old Bawn to Knocklyon (start on site)
 - Tallaght to Clondalkin (start on site)
 - Castletymon Road (start on site)

Division C – Water Services

The budget provides for a total expenditure of €15,048,600.

South Dublin County Council has been operating under a Service Level Agreement with Uisce Éireann since 2014 for the provision of water supply and wastewater operation and maintenance.

The Minister for Housing, Local Government and Heritage published a framework for the future delivery of Water Services in 2022, which set out policy on Uisce Éireann taking full control of water and wastewater services and this took effect in South Dublin on the 6th of September 2023.

South Dublin County Council will continue to work with Uisce Éireann under a new Master Co-operation Agreement which includes a Service Support Agreement until 31st December 2026.

Provision is made within Division C for those elements of the service being provided at local level on an agency basis under this agreement with Uisce

Éireann. All costs will be recoupable from Uisce Éireann and DHLGH at a value of €9,483,800.

The Water and Sanitary Services related statutory responsibilities that remain with the Council include the following:

- Stormwater /Surface Water Drainage
- Flood Management
- River Basin Management
- Sustainable Drainage Systems
- Water Pollution

The expenditure for these functions is €6,016,200 for 2024.

Work by the Water Pollution team is ongoing in 2024. The River Basin Management Plan 2022 to 2027 sets out basic measures which are built into South Dublin County Council's water pollution and water improvement works for the year. These include pollution assessments, inspections and compliance activities by the Water Pollution Section. Additional measures are planned to include an assessment of the Council's large scale domestic misconnection work and the river water quality benefits stemming from the work.

The programme of Surface Water Minor Capital Works and Flood Alleviation Works will continue in 2024 for which a provision of €435,000 has been made.

A pipeline of works has been identified, planned minor maintenance works will also be carried out and a programme of upgrades to various screens on

watercourses will be undertaken. A surface water drainage study to assess the surface water within the towns of Newcastle, Rathcoole and Saggart is currently underway.

Recommendations from this study will be reviewed to identify and programme required works to future proof the network.

The following major schemes are progressing and are at various stages of design and construction:

- Poddle Flood Alleviation Scheme
- Whitechurch Stream Flood Alleviation Scheme
- Camac Study

River Poddle Flood Alleviation Scheme

Planning approval for the Poddle Flood Alleviation Scheme was received from An Bord Pleanála on June 7th 2023, following a Part 10 planning application made by South Dublin County Council in February 2020. The project Steering Group has reconvened and preparations are underway to commence the scheme in Q1 2024. The scheme is expected to take 36 months to complete. Full details on the scheme can be found at www.poddlefas.ie

Whitechurch Stream Flood Alleviation Scheme

Following a lengthy planning process which included a judicial review and appeal to the Supreme Court, the Whitechurch Stream Flood Alleviation

Scheme has moved to construction stage. The scheme is to be constructed in several stages, with Stage 1 from St Enda's Park to St Gaten's Court expected to be completed by Q4 2023. The overall scheme is currently scheduled to be completed in Q3 2025. Details on the scheme can be found at www.whitechurchfas.ie

Camac Flood Alleviation Scheme

The River Camac Flood Alleviation Scheme is currently at Stage 1 – Preliminary Design. Hydraulic modelling has been completed and has proceeded to optioneering, which is scheduled to be completed in Q4 2023. Stage 1 is currently scheduled to be completed in Q2 2024 with a Part 10 planning application expected to be made to An Bord Pleanála in Q4 2024. Details on the scheme are available at www.camacfas.ie

Division D - Development Management

The overall budget for Forward Planning, Development Management, Planning Enforcement, Building Control, Heritage and Conservation is €10,912,900 which is an increase of €1,079,700. The increases are primarily in the areas of Forward Planning and Development Management:

Forward Planning

The Forward and Delivery Planning teams take forward the Council's Plan Making and regeneration work with a proposed spend of €4,418,200 for 2024.

In 2023 the team oversaw the final stages of preparing the County Development Plan (CDP) and are commencing work to monitor implementation of the plan. The team also commenced work on the City Edge County Development Plan Variation and the Clondalkin Local Area Plan.

The team continues to manage the Vacant Sites Register with the number of sites reducing from 11 in 2022 to 4 sites in 2023 and the team have prepared Residential Zoned Land Mapping and associated processes.

In 2024 there will be a statutory public consultation on the City Edge CDP Variation, the Clondalkin Local Area Plan and work will continue on a County wide employment land review.

Work to deliver the two Strategic Development Zones (SDZ) at Clonburris and Adamstown is progressing, including ensuring the SDZ phasing requirements are met and in progressing the delivery of Urban Regeneration and Development Fund (URDF) and Local Infrastructure Housing Activation Fund (LIHAF) funded infrastructure projects in both locations and in coordinating the delivery of existing Local Area Plans in Tallaght, Fortunestown, Newcastle and Ballycullen/Oldcourt.

Development Management and Enforcement

The Development Management and Planning Enforcement budget for 2024 is €5,375,700.

At the end of September 2023, the planning team had received 709 planning applications, which is a decrease from 797 for the same period in 2022.

The team has also opened 163 planning enforcement cases and closed 243 cases (to the end of September 2023).

Heritage, Biodiversity and Architectural Conservation

The Council's Heritage Programme and adopted Biodiversity Action Plan identify the key areas of work to be progressed in 2024 with an associated spend of €125,700.

In 2023 the first stage of an informal consultation on the County Heritage Plan was undertaken. In 2024 there will be formal public consultation ahead of a Council decision on a final plan.

€227,800 is allocated for architectural conservation works, including provision of €100,000 to fund projects in the Council's Capital Programme and grant funding to support local conservation projects support via the Built Heritage Investment Scheme and Historic Structures Fund.

Building Control

The Building Control budget for 2024 is €744,200. In 2023 (to the end of September) the Council has received a total of 157 Disability Access Certificate applications, 204 Fire Safety Certificate applications and has received 384 Commencement Notices.

Economic Development

Progress is ongoing with regard to our economic development objectives, supported through the annual budgetary process and the three-year Capital Programme. The following are key areas to note:

- With the preparation of the Grange Castle Masterplan in 2023 and the commencement of construction of phase 2 of Grange Castle West access road in 2024, Grange Castle is positioned to attract high levels of Foreign Direct Investment and Indigenous Investment of scale to deliver on ambitious employment targets
- With the completion of the Masterplan for the 12th lock, provision of €1,500,000 has been made towards the construction of the Masterplan's first phase, which is due to commence in 2024, serving to unlock the potential of this area to create a vibrant tourism, commercial/enterprise and cultural destination
- The Grand Canal Greenway from 12th Lock to Hazelhatch is expected to commence construction in Q1 2024. This will enhance the cycling infrastructure of the area and wider County and further complement the intentions of the 12th Lock Masterplan and the Canal Loop project
- The proposed Dublin Mountains Visitor Centre will commence construction in 2024, becoming a significant tourism attraction for the County
- The potential of Rathfarnham Castle Courtyard and its associated outbuildings

will be progressed in 2024, which will see the development of a mixed use, food, retail and lifestyle offering, as a key tourism and local amenity

- Delivery of the Tourism Event and Festival Grant scheme will continue to encourage event organisers to consider South Dublin County and 'Dublin's Outdoors' in which to hold their events
- With the implementation of the Council's new Tourism Strategy in 2024, projects such as the potential acquisition and development of Lucan House as a major tourism asset in the County will be advanced
- Opportunities flowing from the Destination Towns funding for Lucan, the Grand Canal Project, including the canal loop option, will be further explored and developed with Waterways Ireland and neighboring authorities in 2024
- The Business Support Fund representing approximately 0.7% of rates income of €1,000,000 has again been provided for in this budget, to continue to facilitate and promote small to medium businesses in the County. The fund will part-finance the proposed Tallaght Innovation Centre which will be fully operational in early 2024
- The Local Enterprise Office will provide €625,000 of grant support available to new and growing businesses through its Feasibility, Priming and Business

Expansion Grants

- €752,600 has been awarded to further develop training and mentoring programmes and to support the ongoing growth and development of business networks that support women in business, people working in the creative economy, and company owners to grow their skillset, among other programmes
- €200,000 has been allocated to fund increased supports to businesses in receipt of the Trading Online Voucher Scheme, allowing them to further develop their online presence and e-commerce capability
- €75,000 has been allocated specifically to support businesses achieve a LEAN business model, increasing productivity and reducing waste
- €25,000 has been allocated specifically to support businesses who are seeking to develop a digital strategy to transform their businesses, optimise their processes and deliver a seamless digital customer experience under the Digital Start Programme
- €40,000 has been awarded to support the Technical Assistance for Micro Exporters Grant, which will support businesses in the development and growth of their international market and export sales development
- €40,000 allocated to the shopfront

improvement grant scheme for 2024

- Provision of €100,000 has been made for the Tidy Town programme

Community

- €3,061,500 for the Social Inclusion and Community Activation Programme
- €707,900 for interagency working and support for Local Community Development Committee, the Public Participation Network, the Joint Policing Committee, Sláintecare and Healthy Ireland Initiatives. This includes €10,000 for Domestic Violence Awareness Campaign, €20,000 for the Community Frontline Services Day. Increase funding for the Drug Debt Intimidation Programme and €25,000 towards the Playstreets Initiative
- €310,900 for additional social inclusion initiatives including:
 - Implementation of the Age Friendly County Strategy, supporting Older Persons' Council and the work of multi-agency Age Friendly County Alliance with continued home safety, security and assistive technology and Dementia Friendly Community pilot initiative
 - Youth participation through Comhairle na nÓg
 - Continued support for the South Dublin LGBTQ+ network

€227,500 for new Integration team and programmes to support Beneficiaries of Temporary Protection and International Protection Applicants Community

Citizen Engagement

- €300,000 for the “€300K Have Your Say” participatory budgeting initiative cycle 2024, which would be held following the Local Elections in 2024 as agreed under the terms of reference
- €20,000 is provided for Local Authority Twinning
- €10,000 is again provided for the Council's Women and Diversity in Local Government campaign as a multiyear initiative designed to build more general awareness of local government and participation in local decision-making structures, particularly among minority and diverse communities in South Dublin County
- There will also be a citizen engagement initiative conducted in 2024 to inform the preparation of the new Corporate Plan which will seek to examine the public and customer perceptions of the Council and the work we do and how they access our services. This work will inform all aspects of the Council's activities and specifically the preparation of the new Corporate Plan 2025 – 2029

Division E – Environmental Services

This Budget provides for total expenditure of €47,733,700 in 2024. The projected costs to operate the main services within this division include:

- €1,130,700 for Landfill Operations, Aftercare and loan charges
- €768,500 for Recovery and Recycling Facilities Operations
- €1,034,700 for the Waste to Energy Facility
- €281,600 for Waste Service Costs including Regional Contributions
- €13,786,300 for Street Cleaning, Litter Management and Waste Regulations
- €1,157,800 for Operation of the Burial Grounds
- €25,001,900 for the Fire Service
- €341,400 for Climate Change Action Planning
- €3,800,000 to deliver Climate Action initiatives

The main income sources within this Division are from the operation of the Dublin Waste to Energy Facility estimated for 2024 at €2,020,000, with €250,000 from Ballymount Balling Station and €750,000 from Burial Ground Charges.

The Fire Service is provided on an agency basis by the Dublin City Fire Service and a provision of €25,001,900 has been made, which covers payroll/pensions and fire prevention related costs.

The following has been provided for Public Realm Operations during 2024:

- Cleansing/Illegal Dumping €1,716,300
- Street Sweeping €4,140,000
- Village Maintenance €1,591,300
- Estate Cleaning Programme €1,053,700
- Litter Bin Programme €888,500
- Graffiti removal €135,100
- Environmental Awareness €314,900

Road sweeping and the associated services of gulley cleaning, weed control and leaf removal will continue to be provided in 2024. Provision has been made in budget 2024 for the continuation of those services with an increase in line with the current predicted Consumer Price Index annual increase. Increased provision has been made for the continuation of cleansing services, village maintenance, graffiti removal and the litter bin service in 2024 with an additional provision of €100,000 made for the installation of new and replacement of Litter Bins.

A provision of €357,800 is made for the direct intervention in Derelict Sites and Dangerous Buildings, with a focus on the acquisition of sites/properties as appropriate by compulsory purchase order under the Derelict Sites Act.

Provision continues for Major Emergency Planning and Management of €100,000.

The South Dublin County Council Litter Management Plan 2023 - 2025 will be implemented. The Annual Litter Action Plan will support combatting persistent problems of illegal dumping, littering, graffiti and dog fouling through enhanced education and awareness programmes, surveillance and enforcement measures. All measures are aimed at improving the aesthetic appearance of our County in the interest of improving quality of life and our economic development potential. The Council is very appreciative of the community and voluntary efforts made alongside the Council's work to bring about these improvements.

Projects under the Anti-Dumping Initiative will include mattress amnesties, further dumping blackspot treatment works in collaboration with other SDCC Departments and monitoring activities using provisions under the Circular Economy and Miscellaneous Provisions Act 2022.

The Waste Enforcement and Licensing section will implement inspection plans in accordance with the developed 2024 Recommended Minimum Criteria for

Environmental Inspections Plan (RMCEI). Targeted inspections on aspects of waste management compliance specific to SDCC needs and in line with national priorities which include authorised waste operators, construction and hazardous waste activities, household waste compliance, producer responsibility initiatives and the detection and prosecution of illegal waste activities.

Provision of €100,000 for additional Litter Management Initiatives will remain for 2024 to continue implementation of initiatives reflected in the annual plan including:

- Continuation of Dublin Canvas Project and the expansion of a pilot to recycling and bottle banks in 2024
- Implementation of schemes to combat dog fouling and promote responsible dog ownership
- Improve the aesthetics of bottle banks to reduce littering/dumping including new signage and painting banks
- Use of new technologies to address dog fouling, fly tipping and illegal dumping

Responding to the impacts of Climate Change and making the County climate resilient is a key focus for this Local Authority:

- Work continued in 2023 in delivering the 154 actions in the Climate Change Action Plan (CCAP) 2019-2024, all

actions are either progressing or complete across all action areas of the plan

- The Draft Climate Action Plan for 2024-2029 has been prepared for South Dublin County Council. This statutory plan, required under the Climate Action and Low Carbon Development (Amendment) Act 2021, aligns with the National Climate Action Plan 2023 and builds on the knowledge and experience of delivering the CCAP 2019-2024. The plan comprises of six Action Areas, with 121 actions across these areas. It aims to be focused on achieving the targets set out. The Draft Plan is due to be adopted in February 2024
- Provision of an additional €3,500,000 has been provided to deliver action plan initiatives across the areas of energy, transport, nature-based solutions, circular economy and resource management and community engagement projects
- In 2024 SDCC will continue to work towards the targets of a 50% improvement in energy efficiency by 2030 and 51% reduction in the Council's greenhouse gas emissions by 2030. The Draft Climate Action Plan 2024-2029 sets out the ongoing, evolved and new actions to be progressed. The plan includes the development of the Decarbonisation Zone (DZ) in Clondalkin. A register of opportunities has been developed

and community engagement is being planned to set out a DZ plan

- In 2024 SDCC will continue to progress the rollout of an EV charging point network based on the Regional Strategy which was published in 2022. A pilot scheme for public charging at SDCC facilities (parks, libraries and so on) is being progressed in co-ordination with the Dublin Region Local Authorities and is currently at tender stage. Work is ongoing on the development of guidance and policies, in conjunction with that being developed by Zero Emission Vehicles Ireland (ZEVl)
- The decarbonisation of the larger Council Buildings is a critical action to be progressed in 2024 in conjunction with Codema. Funding/grants and a procurement strategy are being finalised, with procurement for an Energy Performance Contract (EPC) expected to proceed in Q1 2024
- The feasibility of installing solar PV on our buildings is being progressed to achieve greater energy efficiency (offsetting energy costs) and introduce carbon reductions. Community centres are the primary focus of this work in 2024, ensuring alignment with any planned upgrade works
- The objective of building low carbon communities and developing awareness and community engagement will be progressed by

SDCC's Community Climate Action Officer, assisted by funding from the Department. This work is further supported by a new Action Area of 'Community Engagement' in the Draft Climate Action Plan 2024-2029, which aims to strengthen our focus in working with communities on climate actions

- We will continue to tackle sustainable use of materials and work towards a circular economy

Provision for the operation of Burial Grounds has been made in the amount of €1,157,800 and this includes transfers to capital to fund the continued development of new grave plots at both Bohernabreena and Newcastle graveyards and a Columbarium Wall at Esker. A sum of €50,000 has also been provided for the digitisation of burial ground records.

Division F – Recreation and Amenity

Libraries

"Our Library, Our Future": In the second year of the 5 year term of our Library Development Plan, the Council will continue to increase investment in the County's libraries, furthering our ambition to be a national leader in library service delivery.

- €1,000,500 for the acquisition of stock such as books, periodicals, eBooks, and other materials, increasing per head of capita expenditure based on 2022 population figures, and in preparation for the development of new

libraries in Citywest and Adamstown. Provision has been made for further investment in online resources and our Neurodiversity programme

- €320,000 for transfer from revenue to capital towards the development of Citywest Library, as well as upgrade and access improvements to existing buildings. Provision has been made for a contribution towards the refurbishment of Clondalkin Library and capital investment in IT infrastructure, including the County's first My Open Library in 2024
- €375,000 for the local authority's contribution to the annual events programme held across the branch network as well as other venues and online. Events now account for around 1 in 10 library visits and 2024 will see the return of popular programmes such as Redline, Summer Stars, Season of Science, Bealtaine, Seachtain na Gaeilge and more, as well as provision being made for new initiatives in support of the delivery of "Our Library, Our Future"
- €1,247,900 for the general day-to-day running costs of branch libraries. While this increase is reflective of the increased cost of utilities, provision for improvements has also been made. Piloted Saturday opening in Palmerstown Library in 2022 saw a doubling of weekly visits and a 43% increase in readership. Provision has been made for 13.5 additional staffed

hours per week in 2024

- €337,500 for the continued maintenance and upgrade of ICT infrastructure across the branch network, including the upgrade of self-service kiosks

Arts

With the adoption of the Arts Development Strategy 2022 – 2026, budgets have been put in place to support a vibrant Arts and Cultural sector in the County, including:

- €160,000 for a live performance programme that brings new audiences to the arts and energises public spaces and town centres in the County
- €354,700 Arts Office programme, including Ruaille Buaille Lucan Children's Music Festival; Youth Dance Programme; Sound Recording Studio and Cultural Archive Podcasts; Creative Campus Visual Arts in Education Programme; Early Childhood Arts; Cultural Diversity Inclusion Programme; Adamstown and Tallaght Street Arts Academy; extending the children's programme and youth film programmes; Youth Creative Writing access programme and progression of an Arts Infrastructure Development Strategy for the County
- €100,000 Cultural Quarter Programme including identity, branding and programming in Tallaght Cultural Quarter
- €277,300 for the operation of the Civic Theatre and €320,000 for the operation of Rua Red Arts Centre, who provide access to 261,4000 visitors annually. An additional €35,000 to Rua Red gallery programme
- €339,000 for music education for children and young people through Music Generation South Dublin, which is a music education service for children and young people that provides a range of opportunities throughout the County for 0 – 18 year olds to learn and perform music. It is part of Music Generation - Ireland's National Music Education Programme
- €43,800 for NOISE Music, a programme providing access to marginalized young people to music education
- €236,700 for grants to organisations that deliver a wide range of participation, engagement and outreach opportunities across the County, including €65,000 for Tallaght Community Arts participation programme and development; €42,500 Alternative Entertainments Participation Programme; a new provision of €30,000 to support emerging next generation arts organisations; €20,000 in Artist bursaries; €20,000 amateur, voluntary and community arts grants; €14,000 Sightless Cinema Disability Theatre Programme; €45,000 for venues outreach and education programmes

- €247,900 for the Creative Ireland and Cruinniú na nÓg programmes to deliver the Council's Culture and Creativity Strategy in 2023. The strategy invests in wellbeing, social cohesion and economic development through cultural initiatives

Tallaght Stadium

- The development of the 4th Stand at Tallaght Stadium and upgrade works to the West Stand are at an advanced stage with the project due for completion in 2023
- In association with the Stadium construction project and the resultant increase in the Stadium's capacity, opportunities to develop the venue as a major concert and event centre will be pursued in 2024

Tourism

- The Round Tower Visitor Centre will be supported by a procurement process for a long-term management license operator for the Visitor Centre, which will help market and promote this tourist attraction
- In line with meeting the objectives of the Tallaght Town Centre Local Area Plan, €2,000,000 has been allocated towards the Tallaght Heritage Centre, which will commence construction in 2024

Public Realm

General Maintenance of the Public Realm is projected to cost €27,683,500.

The Budget provides for the maintenance and presentation of parks, open spaces, playgrounds and recreational facilities and is allocated as follows:

Grass Cutting Programme	€5,468,400
Tree/Hedge Management Programme	€4,075,200
Public Realm/Parks Management and Operation	€3,468,100
Park Rangers Service	€1,110,100
Pitch Maintenance	€409,000
Landscaping and Improvement Works	€2,757,400
Weed Control	€297,600
Leisure facility and Playground Maintenance	€1,830,300
Teenage Facility Provision	€650,000

Approximately 1,750 hectares of parks and open spaces are managed by the Council and this will increase with the addition of Airlie Park in 2023. In recent years we have been implementing better grassland management regimes which are pollinator friendly and will help to establish habitats for wildlife and nesting birds. The area of parks being managed as wildflower meadowlands increased to 165 hectares in 2023 and will increase further in 2024.

Sufficient funding is provided again in 2024 for the annual cutting of an increasing area of biodiverse meadowlands.

A Green Infrastructure Strategy has been adopted for the County and a complementary Parks and Open Space Strategy will be published in 2024.

The Council's Tree Management Policy was reviewed and following public consultation, the 2021 - 2026 Living with Trees policy document was agreed by the Council. Trees make a major contribution to the character, appearance and well-being of South Dublin County providing significant economic, social, environmental, ecological and aesthetic benefits to our communities and to our urban and residential streets, parks and open spaces. They also enhance biodiversity and play a crucial role in mitigating climate change.

A new 3-year tree management programme for the period 2023 to 2025 has been agreed with the elected members with the first year of the three-year programme being implemented at present. This follows the successful completion of the programme for the period 2020 to 2022. In accordance with the objectives and actions as set out in the Climate Change Action Plan regarding the implementation of tree management policy and increasing tree canopy cover, provision has been made for the continued surveying and maintenance of trees in the County as well as a substantial tree planting programme.

This programme will continue to focus on the maintenance of trees on streets and estates. Approximately 64,000 trees have now been surveyed and recorded. The tree surveys will continue to record all Council owned trees and enable an objective prioritised maintenance schedule to be developed and updated on an ongoing

basis.

Continued tree planting is important in achieving the goals and objectives of the County Development Plan, Climate Change Action Plan, and the Tree Management Policy. A replacement street tree planting programme will continue. An emphasis will be placed on increasing the tree canopy in the County with a planting plan for areas of parks and open spaces. The mini woodland trial which was carried out in previous years has been a success and will lead to further planting of this kind in suitable park locations around the County in 2024 and beyond. An increase in provision of €1,006,700 is made in 2024 for the various strands of the tree programme including pruning and removal, tree surveying and tree planting due to increasing costs in the area and the need to continue to expand these work programmes.

A provision of €650,000 has been made to fund the on-going landscape improvements of the N81. The second stage was completed in 2022 and progression to detailed design and construction of the next stage is planned in 2024.

Provision of €650,000 for the continuation of the teenage facilities programme has been made through a revenue to capital transfer for 2024. Teenspace projects have been successfully completed or are underway across the County and have proven to be very popular in those communities.

A sum of €150,000 has been provided in 2024 to develop a fund to allow for the replacement and major renovation of large-scale recreational facilities into the future.

Provision of €500,000 has been allocated to the on-going delivery of a 3G Artificial Grass Pitch Programme. This will allow for the continuing delivery of these facilities at strategic locations throughout the County as outlined in the Sports Pitch Strategy and aim to relieve pressure on over-subscribed grass facilities. The first pitch has been completed and opened at Sean Walsh Park in 2023, with the opening of Airlie Park 3G pitch shortly thereafter. The programme will progress in 2024.

Sums of €500,000 have been provided in 2024 towards each of the upgrade works projects at Jobstown Park, Quarryvale Park and the Whitestown Stream in Jobstown. The Whitestown Stream Phase 2 project will commence in November 2023 while the Jobstown and Quarryvale Parks Projects are due to go to tender in November 2023.

The provision of additional funding of €500,000 has been made for the St Cuthbert's Park Project in 2024; this project is under tender and will progress to construction in 2024.

Provision of €409,000 has been made in the budget for pitch maintenance works in 2024 and this covers annual maintenance works such as goal mouth repairs and goal post replacement as well as small scale drainage and aeration works on pitches. A further provision of €250,000 is made in 2024 for

pitch improvement works and this will provide 30% match funding for large scale pitch drainage works which are funded through sports capital grants.

The programme of public realm minor improvement works has received increased funding provision again in 2024. This programme of works typically provides for approximately 80 minor works schemes in parks and estate open spaces including footpath provision, public lighting provision, boundary treatment works, hard and soft landscaping schemes and other works.

Community Services

- €700,000 for community and sports development grants including the €450,000 community infrastructure fund and a continued €50,000 grant fund for mobile sports equipment
- €1,767,300 for the maintenance, support, staffing and upkeep of community facilities including training for Boards of Management of these facilities continues to be rolled out to ensure good governance of the facilities and continued funding of €200,000 for installation of solar panels for community centres
- €263,000 for community events, projects and festivals including €40,000 for intercultural food event and €55,000 for Community Endeavour Awards 2024

- €200,000 funding towards the delivery of a new Sports Hub in Whitechurch
- €1,017,700 for sports, physical activity and wellbeing programmes through our sports and community development teams including:
 - Implementation of the Active South Dublin Plan
 - Schools and Sports Inclusion Programmes
 - Dublin Active Cities Project
 - Contributions to sporting organisations, including FAI, GAA, IRFU (Leinster Branch), Cricket Ireland and Basketball Ireland, for development programmes
- €430,000 to support operations and community access to sports and leisure facilities
- €2,095,000 for the operation of Department of Social Protection Community Employment and Jobs Initiative Schemes
- €489,800 for community CCTV and insurance costs

Division G - Agriculture, Education, Health and Welfare

The projected expenditure within Division G in 2024 includes €1,420,400 for veterinary related services.

- The 2024 projections include

expenditure on Food Safety and Standards at €263,700

- €647,700 provided to carry out functions under the Control of Dogs legislation, which includes South Dublin's Dog Warden service. The Council currently employs two full-time dog wardens. The contract for the provision of dog shelter and related services has been extended for twelve months. The shelter is located at Hollygrove Kennels, Lyons Road, Newcastle, Co. Dublin
- €190,900 has been provided to meet our obligations under the Control of Horses legislation. These obligations are primarily related to actions where there is threat of damage to public property including parks, sports pitches, and grass verges; danger posed to public safety and general nuisance posed by the presence of horses in public places including roads
- Corresponding income for veterinary services amounts to €623,200
- €153,000 provision for the school meals programme in 22 schools
- €52,500 for educational and sports bursaries

Division H – Miscellaneous

The Electoral Reform Act 2022 introduced the modernisation of the Electoral Registration process. This was commenced on 13th October 2022 and allows for a 'rolling register'. The rolling register had a total of 194,340 electors at

the end of October 2023.

Voter.ie is operational across all four Dublin Local Authorities and allows members of the public to log on to www.voter.ie and check if they are on the register and either: Change their address or other details, including citizenship or change of name

- Add themselves to the Register of Electors
- Remove themselves from the Register of Electors

The Council has embarked on a Customer and Digital Services Transformation Strategy and is leading the rollout of a number of digital projects to support its delivery as well as the creation of a digital working environment to facilitate remote working and an agile, digitally skilled workforce. €250,000 has been dedicated to support the delivery of this strategy in 2024.

A provision of €70,000 has been included for Members attending conferences taking place abroad.

A new security allowance for local authority elected members has been introduced following a similar scheme for Oireachtas members, €100,000 has been allocated for this.

The Council owns and maintains a fleet of vehicles and machinery to provide its broad range of services. This fleet is maintained by the Council's Mechanical Section.

The fleet comprises of 70 vans including 5 electric vans, 10 trucks, 8 jeeps, 24 4WD utility vehicles, 69 pickups, 37 tractors, 35

ride-on mowers, 10 winter gritters, 4 mobile libraries, 4 jetting vehicles and a range of ancillary plant, for example wood-chippers, pedestrian sweepers and tractor and van trailers.

Each department using the fleet is charged for the use of their vehicles as well as providing for future replacement of the vehicles. These charges are paid in the form of daily hire rates, which are billed monthly by the Mechanical Section.

The total Machinery Yard budget for 2024 is €4,609,800

The Council's vehicle replacement programme is focused on more energy - efficient alternatives including further introduction of electric vehicles and transitioning the heavy fleet away from fossil fuels. The decarbonisation of our fleet is being progressed with the completion of a strategic plan for decarbonisation over the next 5 year and 10 year period. The strategy focuses on the 'Avoid – Shift – Improve' approach. The decarbonisation of the fleet is a critical action required to achieve the target of a 51% reduction in the Council's greenhouse gas (GHG) emissions by 2030. The Council's fleet is the third largest source of our emissions, at 11% of the overall total. To meet the targets a minimum of 31% is required to be decarbonised (pending the success of other key actions). An implementation plan will be finalised and progressed in 2024.

It should be noted that, because of the level of detail involved in the apportionment of Service Support Costs, rounding issues may be a feature in some of the tables. These have no material affect and do not impact on the overall budget figures.
