

Canal Loop Urban Greenway Community & Citizen Call

Can you help spread the word on the concept for the Canal Loop Urban Greenway? We want all citizens to have their say on the Concept Route, particularly residents who live in areas impacted by the concept route plans.

The Concept Route is available to view via a Virtual Consultation Room (VCR) which is live until the 20th April 2021. In addition, there are 2 live virtual events to take place on Tuesday 23rd March @ 18.30 and Thursday 25th March @ 13.00.

Due to Covid 19 restrictions this consultation process is taking place online and not all our citizens may be familiar with this online process.

Can you spare some time and help an older relative or neighbour to view the consultation room or fill out the survey? You could ask them the survey questions over the phone and input their answers online.

The link to the VCR is:
