Deputation:	Ms. Noirin Martin Mr. Alex O'Toole
Council Officials Present:	
Colm Ward	Administrative Officer, Environmental Services
Oisin Egan	Parks Superintendent, Environmental Services
Mbakure Johnson	Executive Engineer, Roads Dept.
Dee Kelly	Community Services Dept.
Patricia Davis	Community Services Dept.

The meeting was **chaired** by Councillor Paddy Cosgrave.

Apologies: Cllr. Emma Coburn & Cllr. Anne-Marie Dermody.

Item No. 1.	Provision of signage and bins for dog fouling along Lower Dodder Road/Dodder Park Road, Rathfarnham.	
	Action To Be Taken	Responsibility
	<ul style="list-style-type: none">• A pilot scheme will be introduced in some parks to stencil Dog Fouling signs on footpaths. The stencils are bright blue in colour.• The Dog Warden and the Litter Warden will be requested to inspect the area and especially the shrubbery where it was reported that bags of dog waste have been dumped.• Litter bins will not be installed in the Park as the public are encouraged to bring their litter home.• The Litter Warden will inspect the litter bin coverage on the main road.• The Resident's Association is to be kept updated on any progress.	Dog Warden & Litter Warden

Item No. 2.	Tree pruning at top of Dodder Park Road, along Lower Dodder Road river walk.	
	Action To Be Taken	Responsibility
	<ul style="list-style-type: none"> The Resident's Association is to forward a list of trees that need inspection to Oisín Egan. 	Oisín Egan

Item No. 3.	Traffic calming measures – there is widespread dangerous parking along Lower Dodder Road, in vicinity of dangerous bends in the road. Traffic ramps would help.	
	Action To Be Taken	Responsibility
	<ul style="list-style-type: none"> Mbakure Johnson will put this problem forward for discussion at the next Traffic Management Meeting. The Gardaí will be requested to spot check for illegal parking and speeding in the area. 	Mbakure Johnson

Item No. 4.	Flood damage along River Dodder and preventative measures for future flood events.	
	Action To Be Taken	Responsibility
	<ul style="list-style-type: none"> An extensive survey is being carried out at the moment, along the whole river bed and banks, from which a Programme of Works for flood defences and measures will be drawn up. CFRAM Study – The South Eastern <u>C</u>atchment <u>F</u>lood <u>R</u>isk <u>A</u>ssessment & <u>M</u>anagement, commenced August 2011. www.southeastcfamstudy.ie The Resident's Association presented a Report, at the Deputation Meeting, on flood damage along the River Dodder. This Report will be forwarded to Stephen Deegan, Senior Executive Engineer. 	Oisín Egan & Colm Ward
