Item No. 1.	Halloween - support from Parks Department on the day.	
	Action To Be Taken	Responsibility
	<ul style="list-style-type: none">Services to remove bonfire material will be stretched this year following the recent flooding in the SDCC area. Parks Department will assist in the removal of bonfire material where possible.	Michael Hannon

Item No. 2.	Trees within Orwell Park Estate. - a list has already identified planting and pruning. Possible additions for the future.	
	Action To Be Taken	Responsibility
	<ul style="list-style-type: none">A draft Arboriculture Programme was recently presented to the Councillors. Carmel O'Grady advised the Residents Association to compare the draft programme with their list. Any comments will be kept on file for future programmes.The removal of the tree stumps is being carried out at the moment.	Carmel O'Grady

Item No. 3.	Litter and graffiti - identify who in SDCC removes the litter and enforces fines, - who removes the Graffiti which seems to be a growing problem throughout the County.	
	Action To Be Taken	Responsibility
	<ul style="list-style-type: none"> • Reports of litter and illegal dumping can be submitted on a Customer Care Form which is located at the top of the www.sdcc.ie website. • SDCC are stretched on resources therefore no money is available to provide residents with paint to remove graffiti. The Environmental Welfare Officers visit schools to talk about litter and graffiti outlining various projects that money could be spent on if litter and graffiti were not such a big problem. 	Donna Lakes
