FIRST EDITION | AN CHÉAD EAGRÁN

Foreword
RÉAMHRÁ

South Dublin County Council welcomes the Creative Ireland Programme and the opportunity to share rich and inspirational ideas that support greater investment in our children, our communities, our creative industries and our cultural infrastructure.

Through its policies and the commitment of public resources, South Dublin County Council contributes to the development of the cultural vitality of the county. It invests significantly in culture in the context of wellbeing, the quality of life of our citizens and as a visitor destination.

The Creative Ireland Programme offers a very real opportunity to reinforce the proud tradition we have in fostering and promoting creativity within the arts. We are very hopeful that this collaborative process will surface new ideas that will further enhance and inform investment in the Arts, Heritage and Creative Industries in the years ahead.

Investment is only part of the equation. The other parts of the cultural equation are the artists and creatives, the participants and the audiences who bring culture to life. Culture plays an essential role in the lives of our communities.

Cuireann Comhairle Contae Bhaile Átha Cliath Theas fáilte roimh Chlár Éire Chruthaitheach agus roimh an deis chun smaointe saibhre agus spreagthacha a chomhroinnt a thacaíonn le hinfheistíocht níos fearr inár bpáistí, ár bpobail, ár dtionscail chruthaitheacha agus ár mbonneagar cultúrtha.

Trína beartais agus trí thiomantas acmhainní poiblí, cuireann Comhairle Contae Bhaile Átha Cliath Theas le forbairt bheogacht chultúrtha na tíre. Déanann sí infheistíocht shuntasach i gcomhthéacs na folláine, cháilíochta beatha ár saoránach agus mar cheann scríbe cuairteoirí.

I gClár Éire Chruthaitheach tairgtear deis an-fhíor chun neartú a dhéanamh ar an traidisiún bróid atá againn maidir leis an gcruthaitheacht a chothú agus a chur chun cinn. Tá muinín againn go dtiocfaidh smaointe úra as an bpróiseas comhoibríoch seo lena gcuirfear tuilleadh feabhais ar infheistíocht sna Tionscail Ealaíon, Oidhreachta agus Cruthaitheachta agus lena gcuirfear bonn eolais fúthu sna blianta amach romhainn.

Níl ann san infheistíocht ach an chéad chuid den scéal. Is iad na codanna eile den scéal cultúrtha na healaíontóirí agus lucht na n-ealaíon, na rannpháirtithe agus an lucht féachana agus éisteachta a chuireann beocht sa chultúr. Tá ról bunúsach ag an gcultúr i saolta ár bpobail.

The Creative Ireland Programme is built around the themes of identity, culture and citizenship. The core operating principles are Collaboration and Communication, Community Empowerment, and Internationalisation.

In this plan, South Dublin County Council gives expression to the rich traditional cultural identities native to these shores, and sets out to further blend these with the new and emerging expressions of Culture of the one hundred and twenty different nationalities that are now part of our community.

Its legacy will be a more connected cultural place with greater dialogue between policy makers, programmers and creatives; a diversifying of cultural voices, a nurturing of talent and a significant increase in participation in quality cultural programmes.

Tá Clár Éire Chruthaitheach forbartha thart ar na téamaí um fhéiniúlacht, cultúr agus saoránacht. Is iad na príomhphrionsabail oibriúcháin Comhoibriú agus Cumarsáid, Cumhachtú an Phobail, agus Idirnáisiúnú.

Sa phlean seo, tugann Comhairle Contae Bhaile Átha Cliath Theas léiriú do na féiniúlachtaí cultúrtha traidisiúnta saibhre atá dúchasach sa tír seo, agus féachann sí leo sin a chumasc tuilleadh le léirithe Cultúir atá ag teacht chun cinn de na céad is fiche náisiúntacht éagsúil atá ina gcuid dár bpobal anois.

Beidh a oidhreacht níos nasctha le háit chultúrtha ina bhfuil plé níos fearr idir lucht déanta beartas, cláraitheoirí agus lucht na n-ealaíon; éagsúlacht de ghuthanna cultúrtha, cothú tallainne agus méadú suntasach ar an rannpháirtíocht i gcláir chultúrtha ardchaighdeáin.

Creative Ireland Programme
CLÁR ÉIRE ILDÁNACH

The Creative Ireland Programme is the Government's Legacy Programme for Ireland 2016 – a five-year initiative, from 2017 to 2022, which places creativity at the centre of public policy. It is a high-level, high-ambition, all-of-government initiative to mainstream creativity in the life of the nation so that individually and collectively, in our personal lives and in our institutions, we can realise our full creative potential.

The Creative Ireland Programme is a culture-based programme designed to promote individual, community and national wellbeing. The core proposition is that participation in cultural activity drives personal and collective creativity, with significant implications for individual and societal wellbeing and achievement.

The Creative Ireland Programme is also the main implementation vehicle for the priorities identified in the Government's policy document, Culture 2025 -Éire Ildánach which states that arts and culture are intrinsic to the Irish State, acknowledges the need to increase access to, and participation in the arts, boost our creative industries, and preserve our heritage with a particular focus on language, landscape and the environment..

The programme is built around the themes of identity, culture and citizenship. The core operating principles are Collaboration and Communication, Community Empowerment, and Internationalisation.

Clár Oidhreachta de chuid an Rialtais is ea Clár Éire Chruthaitheach d'Éirinn 2016 – tionscnamh cúig bliana, ó 2017 go 2022, ina gcuirtear an chruthaitheacht ag lár an bheartais phoiblí. Tionscnamh ardleibhéil, ard-uaillmhianach, an rialtais uile is ea é chun cruthaitheacht a phríomhshruthú i saol ár náisiúin ionas go mbeimid ábalta, inár n-aonar agus le chéile, inár saolta pearsanta agus inár n-institiúidí, ár n-acmhainneacht chruthaitheach iomlán a bhaint amach.

Clár bunaithe ar Chultúr is ea Clár Éire Chruthaitheach atá deartha chun folláine daoine aonair, folláine an phobail agus an fholláine náisiúnta a chur chun cinn. Is é an príomh-mholadh go spreagann rannpháirtíocht i ngníomhaíocht chultúrtha cruthaitheacht phearsanta agus chomhchoiteann d'fholláine agus d'éacht daoine aonair agus na sochaí.

Is é Clár Éire Chruthaitheach an phríomhfheithicil cur chun feidhme chomh maith maidir leis na tosaíochtaí arna n-aithint i ndoiciméad beartais an Rialtais, Cultúr 2025 - –Éire Ildánach ina sonraítear go bhfuil na healaíona agus an cultúr bunúsach do stát na hÉireann, ina n-admhaítear an gá le méadú a dhéanamh ar rochtain ar na healaíona agus a bheith páirteach iontu, borradh a chur faoinár dtionscail chruthaitheacha, agus ár n-oidhreacht a chaomhnú agus fócas faoi leith a chur ar an teanga, tírdhreach agus comhshaol.

Tá an clár forbartha thart ar na téamaí um fhéiniúlacht, cultúr agus saoránacht. Is iad na príomhphrionsabail oibriúcháin Comhoibriú agus Cumarsáid, Cumhachtú an Phobail, agus Idirnáisiúnú.

Local authorities have a crucial role in the overall local delivery of the entire Creative Ireland programme and are exclusively mandated, through their culture teams, to deliver Pillar 2 of the programme – Enabling Creativity in Every Community. This devolution of responsibility for Creative Ireland to local authorities is inspired by the extraordinary impact of collaborative local authority co-ordinated projects for the centenary of 1916. This Plan sets out the beginning of South Dublin's part in this five-year journey, a truly important national policy initiative centred on culture and wellbeing.'

The ambition for this Plan is to support and strengthen the cultural sector, artistic practices and creative industries in the County making the sector more sustainable. Here in South Dublin County, we are unfolding our cultural heritage through the development of the Round Tower Interpretative Centre in Clondalkin, the Hellfire project in the Dublin Mountains, and the associated programmes that will be generated from this. The County's heritage, and the investments in our cultural and tourism infrastructure, are key steps towards realising South Dublin County Council's ambition to become a significant destination for

Tá ról ríthábhachtach ag na húdaráis áitiúla maidir le seachadadh áitiúil foriomlán chlár Éire Chruthaitheach ina iomláine agus tá sainordú eisiach acu, trína bhfoirne cultúir, Colún 2 den chlár a sheachadadh – An Chruthaitheacht a Chumasú i nGach Pobal. Tá dílárú na freagrachta as Éire Chruthaitheach chuig na húdaráis áitiúla spreagtha ag tionchar neamhghnách chomhthionscadail chomhordaithe na n-údarás áitiúil do chomóradh céad bliain 1916. Sa phlean seo leagtar amach tús pháirt Chontae Bhaile Átha Cliath Theas san aistear cúig bliana seo, tionscnamh náisiúnta beartas fíorthábhachtach atá dírithe ar an gcultúr agus ar an bhfolláine."

Is é an uaillmhian leis an bPlean seo tacú leis an earnáil chultúrtha, cleachtais ealaíonta agus tionscail chruthaitheacha sa Chontae agus iad a neartú chun an earnáil a dhéanamh níos inbhuanaithe. Anseo i mBaile Átha Cliath Theas, tugaimid ár n-oidhreacht chultúrtha chun solais trí fhorbairt Ionad Léirmhínitheach an Chloigthí i gCluain Dolcáin, an tionscadal 'Hellfire' i Sléibhte Bhaile Átha Cliath, agus na cláir ghaolmhara a chruthófar mar thoradh air sin. Tá oidhreacht an Chontae, agus na hinfheistíochtaí inár mbonneagar cultúrtha agus turasóireachta, ina bpríomhchéimeanna i dtreo uaillmhian Chomhairle Contae Bhaile Átha Cliath Theas a bhaint amach maidir le bheith ina cheann scríbe suntasach do theaghlaigh a bhfuil cónaí orthu sa chontae seo agus do chuairteoirí.

families living in this county and for visitors. A second key ambition for this Plan is the development of Tallaght as a creative hub in the county, building on the existing creative cluster of the Civic Theatre, Rua Red and the County Library, and the artists and organisations who interact with the public in these spaces. Cruinniú na Cásca 2017 provides an opportunity for collaboration between programmers and for wider public engagement.

Investment in creatives is a crucial part of the Plan which has been given consideration in discussions by the Culture Team and the Creative Ireland Workshop held in Tallaght in March 2017. Investment through a number of new awards and initiatives in 2017 is aimed at enhancing skills and fostering ambition.

The 2017 Plan will also make a space in the programme for networking, peer exchange, and public participation in cultural discussion and expression. This interaction will be a leading aspect of South Dublin County's Creative Ireland Programme into the future.

South Dublin County's Cultural Team anticipates that the impact of this Programme on people will be considerable, particularly when placed in conjunction with plans under the other four pillars of the Creative Ireland Programme.

Príomh-uaillmhian eile don Phlean seo is ea forbairt Thamhlachta mar mhol cruthaitheach sa chontae, ag baint leas as braisle chruthaitheach reatha na hAmharclainne Pobail, Rua Red agus an Leabharlann Chontae, agus na healaíontóirí agus na heagraíochtaí a idirghníomhaíonn leis an bpobal sna spásanna sin. Soláthraíonn Cruinniú na Cásca 2017 deis le haghaidh comhoibriú idir cláraitheoirí agus le haghaidh rannpháirtíocht phoiblí níos leithne.

Tá infheistíocht i lucht na n-ealaíon ina cuid ríthábhachtach den Phlean ar breathnaíodh air i bplé a rinne an Fhoireann Chultúir agus Ceardlann Éire Chruthaitheach a tionóladh i dTamhlacht i mí an Mhárta 2017. Tá infheistíocht trí líon dámhachtainí úra agus tionscnamh úr in 2017 dírithe ar scileanna a fheabhsú agus uaillmhian a chothú.

Cuirfidh Plean 2017 spás sa chlár chomh maith do líonrú, malartú ag piaraí, agus rannpháirtíocht phoiblí i bplé agus léiriú cultúrtha. Beidh an idirghníomhaíocht sin ina príomhghné de Chlár Éire Chruthaitheach Chontae Bhaile Átha Cliath Theas sa todhchaí.

Tá sé tuartha ag Foireann Chultúir Bhaile Átha Cliath Theas go mbeidh tionchar suntasach ag an gClár seo ar dhaoine, go háirithe nuair a chuirtear i gcomhar le pleananna é faoin gceithre cholún eile de Chlár Éire Chruthaitheach.
