READING BUDDY VOLUNTEER

If you're looking to give back we'd love to hear from you!

The Reading Buddy programme runs for 8 weeks and offers a rewarding opportunity to support a young child's literacy journey by reading together one-to-one for a 30 minute session twice a week.

It is a space for the student (aged 8-12) to read aloud to their Reading Buddy, who helps them through difficult words or sentences, while encouraging and praising them for their reading.

They discuss what's happening in the book, the student's favourite parts and what they think will happen next. This all helps to build a positive relationship, and it develops the student's comprehension skills and increases their confidence in their own ability.

Registration will take place at 11am on Monday 3rd November in the library
