All welcome.

GUESS HOW MUCH I LOVE YOU
in the SPRING
Sam McBratney illustrated by Anita Jeram

Plant Peas in a Paper Pot

Tuesday 18 February, 1.30pm - 4.00pm   For age 6+
Drop in any time. Make a paper pot with reused paper and plant some peas to eat when they ripen in the summer. Takes 10 minutes.

3D Printing Workshop

Thursday 20 February, 3.00pm - 4.00pm
Learn how to design a badge with 3D software and print it for free. For children 9-12 years.
*Booking essential.*

Digital Fabrication and STEAM for Newbies

Wednesday 26 February, 10.am - 11.30am
Have you wondered what all this 3D printing, coding and STEAM is about? Maybe it could be used in your workplace or for a hobby - making models or parts. This workshop will introduce you to the concepts of digital fabrication, product design, coding and software development and how they all fit together. It will demonstrate 3D scanning and printing and show laser cutting engraving in action.
This practical workshop is for adults, given by Tech Create - www.techcreate.ie.
Booking essential, contact the library.

Open Tuesdays & Thursdays, 1-8pm
Palmerstown Shopping Centre, Kennelsfort Road, Palmerstown, Dublin 20
