ABC-book, words and pictures

Abécédaire, des mots et des images

In this drop-in workshop you will create a multilingual alphabet book. Throughout the day, you will have the opportunity to draw with Judith Gueyfier and create a collective wall painting. An ephemeral library will be set up for visitors to enjoy a variety of alphabet books in French, English, Irish and other languages, as well as books illustrated by Judith Gueyfier.

At the end of the day, there will be a book signing session of Judith's work.

Judith Gueyfier is a French illustrator.

During her art studies, she began her travel adventure, visiting destinations such as Morocco and Burkina Faso. It is here, where she began to develop her passion for children's illustration and create a graphic portfolio. Throughout her work, Judith loves to mix reality with the imaginary.

What's your name?

Did you ever lose your patience having to spell your name over and over? Do people mispronounce your name? Do you use a nickname because you have given up? Join Italian photographer Enzo Francesco Testa to create portraits of people in Tallaght... with their name spelled and pronounced the right way! The images created will become part of a display that visitors can enjoy during the festival.

Enzo Francesco Testa graduated from Accademia dell'Immagine dell'Aquila and primarily works in Rome as a film maker. In 2002 and 2007 he participated in two expeditions in Hymalaya and Karakorum and produced two documentaries "Mondisospesi" and "Uomini di pietra". Enzo was awarded the "bookiak Azione" award in 2015.
